

Report

Enable Auto Sync between local folder and S3 Bucket

Procedure

Create a sync.bat file and open with notepad. Paste following code and save.

```
@echo off
```

```
aws s3 sync <local-dir-to-sync> s3://<your-bucket-name>/<prefix> --delete
```

Name	Date modified	Type	Size
 data-to-sync	06/04/2025 11:48 am	File folder	
 sync.bat	06/04/2025 11:21 am	Windows Batch File	1 KB
